Friday Newsletter 11-03-22

Reminder:

Next week school is closed on Thursday 17th March for St. Patricks day and on Friday 18th March which is a staff training day. Hopefully the weather will improve so everyone can enjoy the short break.

School Dinner

We have been informed that due to difficulties receiving supplies at present it may be necessary to make some menu changes. We will do our best to keep you updated.

I would like to remind parents that all dinners (both paid and free), must be booked in advance on School Money. <https://eduspot.co.uk/>

P.E

It is important that correct P.E. gear is worn to school on P.E. days. Your child should wear the school tracksuit or plain navy tracksuit bottoms, school PE shirt or white polo shirt and the school sweatshirt for P.E. Black trainers only should be worn - NO coloured trainers are permitted.

Earrings are not permitted to be worn during P.E. lessons. Your child will be asked to remove their earrings and if this is not possible they must be covered. Your child may not be allowed to participate in P.E. lessons if earrings are not removed and cannot be covered.

Long hair must be tied up for P.E. Please ensure your child has their hair tied up on P.E. days.

Butterflies of Hope

Butterflies of Hope is a community project for Easter organised by Christ Church, Lisburn. The children in school will be given a butterfly to colour and decorate, and then write the name of someone they are thankful for or who has brought them hope.

The butterflies will then be displayed on the railings of the church. A meeting will be held at the bottom gate of Christ church beside the Butterfly display on Wednesday 13th April and everyone is welcome to attend to give thanks for all the

people mentioned on the Butterflies, thanking God for all those who mean so much to us.

The Butterflies will be a lovely, bright and visible sign of Hope in our community,

If you do not wish your child to colour a butterfly for Christ church please let us know.

Outdoor Play

We have recently received some funding from the department of education for outdoor play equipment. We have been able to use this to purchase some playground toys for break and lunch time as well as several larger pieces of outdoor furniture. These include a mud kitchen and a large wooden tepee. Hopefully as the weather improves during the Spring term we will be able to get these items installed in the playground for the children to enjoy.

We have great plans for further development of the outdoor space around school and will keep you informed on the progress of this.

Easter

The PTF are currently organising some Easter events in school. These will include a special 'We're all going on a Bunny hunt' for Nursery, P.1 - P.3 and an Easter Egg hunt for P.4 - P.7. These should be great fun for everyone. There will also be Easter craft activities and lots of fun and games.

Easter Holidays: School will close on Friday 8th April at 12noon and reopen on Monday 25th April.
