COVID

The Education Authority has informed me of changes which can take place next term in schools. These are as follows:

- No outdoor or indoor bubbles
- Staggered breaks and lunches will end
- Masks will not be required to be worn by staff.

We hope to be able to hold events again in school next term where parents can attend. These will include Sports Day and P.7 Leaver's assembly. We are all very excited about this return to a more normal way of life again.

Huggy Wuggy

I have been made aware that a character named 'Huggy Wuggy' is being viewed by some of our pupils online on YouTube and Tik Tok. This character is a teddy bear with razor sharp teeth who tries to hug you and kill you. It features in some videos with songs and animation designed to be upsetting and creepy. Because of its name it is able to infiltrate firewalls and filters. Please be vigilant around what your child is watching online.

Parents can log onto the EA portal on 28th April to discover the outcome of their application for a place in Nursery or Primary One. We will also send out letters to all successful applicants on 28th April.
