## Parent Information Sessions

Thank you to all parents who attended the information sessions this week. You have also received leaflets on child protection, positive behaviour, anti-bullying and Esafety. Please complete the final page in the Esafety booklet by signing the agreements with your child and return this page to school.

We will send home these booklets to those who were unable to attend.

## School Trips

As a school we are very aware of the cost of living at the moment. This has had a huge impact on the cost of transport for school trips. We recognise that school trips are an important part of the children's education, but we are concerned that costs this year will be significantly increased. For this reason, I would like to ask parents to complete the short survey which you have been sent through Seesaw, so that we can review future planned trips.

Some people have had difficulty with the link to complete the survey. We will resend on Monday. Thank you.

## School money

Please ensure **ALL bookings** are made by midnight on Sunday for the week ahead so we can plan staffing levels for the week.

## DE Review of Childcare Services

### DEPARTMENT OF EDUCATION – REVIEW OF CHILDCARE SERVICES - SURVEY

A review of childcare services in Northern Ireland, commissioned by the Department of Education, wants to hear from parents, carers and others in the sector. The review wants to understand the current state of the childcare sector in Northern Ireland, including the supply and demand of childcare services, their accessibility and affordability. The review will involve surveys and focus groups or interviews with parents, carers, childcare providers and other people within the childcare sector. Parents and carers of children aged between 0 and 14 years of age in Northern Ireland can have their say in this survey (your answers are anonymous):
